Miss Marilyn Moss
Radio Station WCSR
10½ Prospect Street
Northampton, Mass.

Dear Marilyn,

Communications since your letter of the fifth of December between our two stations seem to have been non-existant. As a new Entertainment Director and general organizer, namely myself, has taken office, I should like to start negotiations for a night's broadcasting at Smith entirely anew. We have discussed different dates down here and have come to the conclusion that the sixteenth of this month, a Friday night would be the most convenient for us in the near future. Is this acceptable to you? Naturally we are all very anxious to come up and repeat last year' gala festivities. Please let us know as soon as possible so that we can arrange broadcasting schedules etc.

Incidentally, Phil Colcord, now Chairman, and myself, who so handily defeated you is a quiz contest down here last spring are very anxious to recreate our success. If you would like to supply questions and a questioner, please let us know. Otherwise, it will be possible for us to dig up an intellectual interragator from our ranks.

I hope that the above date will meet with your approval, and I am looking forward to coming to Smith again.

Sincerely,

Charlie
